

China Payments

Installation and Registration Guideline on Shopify

Step 1

Visit and click on
the page of [Price & Plans](#),

<https://api.china-payments.com/pricing>

Go to **Free Trial App**

The screenshot displays the 'Price & Plans' page for the China Payment Gateway App on Shopify. The page features a navigation bar with links for Home, For Enterprise, Install Guide, Price & Plans (highlighted with a red box and a '1'), Contact Us, and Demo. The main heading is 'PRICE' followed by 'China Payment Gateway App Price & Plans For Shopify'. Three pricing plans are presented in columns:

Plan Name	Price / Month	Supported Payment Methods	Service Fee	Trial Period
BASIC PLAN	\$9.9 USD / Month	Support Alipay + WeChat Pay + China UnionPay	2% per transaction service fee	Free Trial 14 days
STANDARD PLAN	\$39.9 USD / Month	Support Alipay + WeChat Pay + China UnionPay	1% per transaction service fee	Free Trial 14 days
ADVANCED PLAN	\$79.9 USD / Month	Support Alipay + WeChat Pay + China UnionPay	0.5% per transaction service fee	Free Trial 14 days

At the bottom of the page, a red button labeled 'FREE TRIAL APP' is highlighted with a red box and a '2'.

Step 2

Login Shopify and Select your store.

For example: chinapay-test-1

Click on the **Your store**

Step 3

Or go to Shopify Store Background

Settings -> Payments -> Add payment methods -> Search by provider

-> input **China Payments New** -> Click on the **Activate**

The screenshot displays the Shopify Admin interface. On the left sidebar, the 'Payments' menu item is highlighted with a red box and a '1' in a red circle. The main content area is titled 'Add payment methods'. At the top, there are two tabs: 'Search by payment methods' and 'Search by provider', with the latter being selected and highlighted with a red box and a '2' in a red circle. Below the tabs is a search input field containing 'China Payments New', highlighted with a red box and a '3' in a red circle. Below the search field, a card for 'China Payments New' is shown, featuring a 'Transaction Fee 0%' and logos for Mastercard, Alipay, and WeChat Pay. A green 'Activate' button is located on the right side of this card, highlighted with a red box and a '4' in a red circle.

Step 4

Click on the **Connect**

China Payments New

About China Payments New

This App is designed just for solving the payment problem. After the installation, your shop will support China's most popular payment method - Alipay, WeChatPay, China UnionPay.

- We mainly provide solutions for the use of Shopify in mainland China and we have solved many problems in recent years for many customers who use Shopify and want to do business in China.
- Almost all of them complain that clients.
- The most popular payment method in China is Alipay and Wechat wallet, and most people do not have the habit of using the credit cards.
- We are glad to have accumulated the most effective solution to solve these problems in the past few years. We will look forward to communicating with you if you want to develop the market in China.

6 total

Step 23

Visit the Monthly Fees, The monthly subscription fee deducted by Alipay will be shown here.

Alipay is designed to recharge first and deduct the transaction fee from it later. Please ensure that the available balance is sufficient to cover the monthly subscription fee and transaction fee.

Go to **Home -> Usage Charges -> Monthly Fees**

The screenshot shows the China Payments dashboard. The top navigation bar includes 'China Payments', a menu icon, a home icon, and links for 'Alipay', 'WeChatPay', 'UnionPay', and 'Help Guide'. The left sidebar is titled 'GENERAL' and contains 'Dashboard', 'Price Details', 'Usage Charges', and 'Contact Us'. The 'Usage Charges' menu item is highlighted with a red box and a red '1' badge. The main content area shows 'Usage Charges -21.27' and 'Monthly Fees -68.00', with the latter highlighted by a red box and a red '2' badge. Below this, a summary states 'Alipay Monthly Fee Total: -68.00'. A table displays the following data:

Partner Trade No	Original Balance Amount	New Balance Amount	Deducted Amount	Currency	DeductedAt	CreatedAt
202207281517179002	100.00	32.00	-68.00	CNY	2022-08	2022-08-02 18:43:35

Step 24

Visit the Dashboard, Go to **Complete to Shopify**

The screenshot shows the China Payments dashboard interface. At the top, there is a navigation bar with the 'China Payments' logo and a menu icon, followed by links for 'Alipay', 'WeChatPay', 'UnionPay', and 'Guide'. A dark sidebar on the left contains the 'GENERAL' section with links for 'Dashboard', 'Price Details', and 'Contact Us'. The main content area is titled 'Dashboard' and features a welcome message: 'Welcome to use China Payments.' Below this, three numbered instructions are provided: 1. 'Please select a payment method and click "Payment Logo" to Set up your payment info.' 2. 'Please click the "Price Details" to view price, Then click the "PayPal Subscribe".' 3. 'Please click the "Complete to Shopify" button to redirect back to the Shopify Payments page, Then click the "Activate China Payments" button in the bottom right corner.' The first instruction is accompanied by four payment method logos: Alipay, WeChat Pay (微信支付), Alipay (支付宝), and China Unionpay (中国银联). The second instruction is accompanied by a blue 'Price Details' button. The third instruction is accompanied by a green 'Complete to Shopify' button, which is highlighted with a red box and a red circle containing the number '1'.

Step 25

Visit Shopify in the background,
Check the enabled payment method,
Click **Activate China Payments New**

Step 31

View Transaction records

Click **Settings**

-> **Payments**

-> **Alternative payment providers**

-> **Choose alternative payment**

-> **China Payments New**

-> **Manage**

Step 32

How to contact us?

Click on **Contact China Payments New**

-> **Send Message**

The screenshot displays the Shopify admin interface. On the left is a sidebar menu with various settings categories. The 'Payments' option is highlighted with a red box and a red circle containing the number '1'. The main content area shows the 'China Payments New' configuration page. At the top, there is a back arrow and the title 'China Payments New'. Below this is a dropdown menu for 'About China Payments New'. The 'Account status' section indicates that the user is connected to China Payments New and provides a long alphanumeric ID. A red box highlights the 'Contact China Payments New' link, with a red circle containing the number '2' next to it. Below the account status, there are three payment methods listed: Union Pay, WeChat Pay, and AliPay, each with a checked checkbox. The 'Test mode' section contains a checkbox for 'Enable test mode' which is currently unchecked. At the bottom of the page, there are two buttons: 'Uninstall China Payments New' (red) and 'Activate China Payments New' (green).

Step 33

How to deactivate China Payments New?

Click on **Deactivate China Payments New**

Step 34

How to unistall China Payments New?

Click **Uninstall China Payments New**

Note:

You can only do this when you do not need our payment service, otherwise you will not be able to use payment.

When the China Payments New app is uninstalled, the PayPal subscription plan will be automatically cancelled.

The screenshot shows the Shopify admin interface for a store named 'eluo-test8'. The left sidebar contains a list of settings categories, with 'Payments' highlighted in red and marked with a red circle containing the number '1'. The main content area is titled 'China Payments New' and contains several sections: 'About China Payments New', 'Account status' (with a 'Manage' button), 'Payment methods' (showing Union Pay, WeChat Pay, and AliPay), and 'Test mode' (with an 'Enable test mode' checkbox). At the bottom of the page, the 'Uninstall China Payments New' button is highlighted in red and marked with a red circle containing the number '2', next to the 'Activate China Payments New' button.

Step 35
